Dear Friend of Sirius Community,

We are so grateful that you have been a part of building and sustaining Sirius community through the years. Though you may live far away or even just around the corner, we want you to know how much we appreciate you and all that you bring to making the world a better place and in being so *grace-inspired!*

Part of Sirius' intention as a community is to inspire gratitude for those things often missed or overlooked in everyday living. And, to trust that whatever happens, it is Divinely guided. And, it is with this essence, we feel that every gift is

*Grace
inspired!*

“What is grace? It seems to linger just beyond our awareness...it triggers the moments that against all odds soften our hearts. Perhaps it is a gentle tap on the shoulder from beyond that causes us to turn our heads to listen and to look and to feel the blessings all around us. Whatever it is and wherever the source, it asks nothing more of us than gratitude.”

-Friends of Silence, June 2015
